IUPUI HONORS COLLEGE
Volunteer Information

To maintain your scholarship, the Honors College requires that scholars volunteer at least 10 hours per academic year with the exception of Bepko Scholars, who must complete 10 hours of service per semester. Scholars will receive ongoing notification via email regarding various volunteer opportunities. Upon completion of the volunteer activity, scholars must submit a Volunteer Verification Form which is available in the document below, on the IUPUI Honors College website, and on the IUPUI Honors College Oncourse site.

Guidelines for the Volunteer Verification Form

- Volunteer hours must be completed during the academic year.
- While we value all types of community service, the purpose of your volunteer requirement is for you to be engaged in and serve the campus and Indianapolis area.

Why do Honors Scholars complete volunteer hours?

Service and volunteerism among scholars promotes connection to the campus and community, continued academic success, and opportunities to give back to the campus and community that actively invests in their education. Energetic commitment to service is a hallmark of IUPUI Honors Scholars.

Service offers the opportunity to:

- Discover new experiences
- Hone your leadership skills
- Develop new skills and talents
- Explore your interests
- Make a lasting impact on the community
- Understand the issues facing the community
- Cultivate an appreciation of philanthropy
